If you have an emergency on the weekend, you can call the office, 630-681-0962 and listen to the prompt to dial 9 to be forwarded to a staff member on call. If staff are busy, the call will go to a voicemail system to leave a message and you can expect a call back, if necessary, within 15 minutes. Please leave your name and telephone number as it does not show up on our caller ID. If your issue is not an emergency, call the office Monday-Friday between the hours of 9:00am-4:00pm.

It All Starts With a Gift . . . Helping Sustain In-Person Programs, Virtual Programs and Inclusion Services.

Making Special Recreation Available to All Families!

Keeping programs affordable and accessible is our commitment. Because of the labor intensive nature of our programs, the constant fluctuation of part-time staff needs, and rising costs overall, we continually need to bridge the gap between the cost of programming and the support received through tax revenues. That gap is filled through the generosity of grantors and donors. **Learn more at www.wdsra.com.**

Interested joining Rec & Roll? Start by filling out an interest form by scanning the QR code or visit <https://www.wdsra.com/wdsra-programs/rec-roll-program/>. Once received, an intake assessment will be scheduled to determine program eligibility. This assessment will help determine which Rec & Roll location and staff ratio is most appropriate.

WELCOME NEW FAMILIES

If you are a new family or participant, start by contacting WDSRA at 630-681-0962.

New Participant Intake

As a new participant to WDSRA, the front office team will send you an initial intake form. After you complete it, they will set you up with a household account in RecTrac (our registration system). They will send you your household account information which will be used to register for WDSRA programs. You will also receive an invite to fill out ePACT, which securely collects your child's health and emergency contact information. This additional information provides WDSRA staff the opportunity to properly staff programs and provides an environment that will be successful and enjoyable to the participant. For safety reasons, an individual without current ePACT medical information will not be permitted to participate in WDSRA programs.

Outreach and New Families

Our outreach staff can make your transition to our programs as effortless as possible. Staff focuses on welcoming new families, answering questions, navigating forms and processes, and recommending appropriate programming for your loved one. We get to know your participant and family before starting programs so WDSRA can serve you better. We will also provide contact information for resources your participant may need.

Inclusion Services

WDSRA and its member park districts believe all individuals should be provided with leisure opportunities that allow for performance at their highest level of ability. We understand not every person who has a special need desires WDSRA programming. In cooperation with our member districts, WDSRA staff will assist and advise any resident who is interested in participating (inclusion) in a local park district program. WDSRA will provide the type of support deemed necessary for successful participation. Supports may include training with park district staff members, consultation with the individual and their family members, and the assistance of a support staff member. WDSRA provides all inclusion services at no cost to the individual.

Registration Information

Ways to Register:

- Online Registration (Preferred Option)
- Drop-off or mail-before the start of registration. All mailed and dropped-off registration forms will be processed concurrently with online registrations and processed in random order.
- Email - download a form from our website, fill it out and email it to registration@wdsra.com (do not add credit card info on form when emailing it).

Note: Phone in registrations are not accepted.

Virtual Program Registration

Registration will be first-come, first-served for both residents and non-residents.

Individual Lesson Registration

Registration will be first come, first served for residents and non-residents.

In-Person Program Lottery Registration

All In-Person program registrations will be assigned once WDSRA "spins" the lottery, randomly assigning enrollments to the programs you have registered for. The lottery will be spun for residents first, followed by non-residents. If the program has met the maximum number of participants, those not enrolled will be added to a waitlist. If you are placed on a waitlist and WDSRA can accommodate you safely, you will be enrolled in the program and notified.

Out of District Policies

Families living outside a WDSRA member park district and belonging to a neighboring SRA are welcome to register in WDSRA programs with no additional fee. During lottery registration, in-district families will be spun first, followed by out of district families. This would apply to NEDSRA, FVSRA, NWSRA, and SEASPAR residents.

- If you live within a community with a Park District that does not belong to a Special Recreation Association, fees will be increased by an additional 50%.
- If you live in a community without a Park District or in an unincorporated area that falls outside of the Park District boundaries, fees will be increased by an additional 50%. An example of this would be Wayne residents and some parts of West Chicago.

REGISTRATION, SCHOLARSHIPS

Registration Notes

Registrations will not be processed if a fee balance remains from a previous season. Program fees will not be prorated for late registration. The scholarship request deadline is the same date set for resident registration.

If a program closes due to large enrollment, a paid waiting list of those interested will be kept. If space does not open in the program, your payment will be automatically refunded.

A class may be canceled if enrollment is less than five participants or unless otherwise noted.

Special Olympics

For an athlete to compete in a Special Olympics program, a current Special Olympics Medical form must be on file at the WDSRA office. The Special Olympics Medical form is valid for three years from the date of the doctor's signature.

WDSRA Policy states an athlete cannot register for a Special Olympic program until you have a current form on file. If you are interested in participating in a Special Olympics program, please contact the WDSRA office for a form or download a form from our website at www.wdsra.com. **Parents and athletes are responsible for returning the completed form to the WDSRA office before you register.**

Annual Scholarships

The scholarship request process is intended to allow participants/families who qualify for financial assistance to take part in recreation and leisure opportunities through the use of available funds. All funds for scholarships are obtained through the WDSRA Foundation's annual fundraising campaigns. Each year the amount available fluctuates based on the amounts received.

Scholarships are only available for residents of the association's nine-member park districts. Scholarships are awarded to participants who have completed the annual scholarship application and qualify for financial assistance. Applications are accepted anytime during the year but all applications expire on December 31. Fee assistance is awarded for a maximum of 50% per program, not exceeding \$100 per program. Participants are eligible for up to three programs per season. Payment plans may be arranged if needed. For more specific guidelines regarding scholarships, please visit our website at www.wdsra.com and go to the links tab for WDSRA forms or contact the WDSRA office.

CANCELLATIONS, REFUNDS

Weather Cancellation Policy

Severe Winter Weather: Outdoor Programs or programs with transportation for people with physical disabilities: Temperature of 10 degrees or wind chill of 0 degrees or less. All other programs with transportation: Temperature of -5 degrees or wind chill of -15 degrees or less.

All programs (including indoor): Snowstorm or blizzard situations when driving restrictions and an emergency plan are in effect (winter or blizzard warnings). For more information on WDSRA weather policy, visit: www.wdsra.com.

Cancelling Programs

- WDSRA staff will look at all circumstances beginning two hours before the starting time of the program or first pick-up to determine if the program should be cancelled.
- If the program is cancelled, program staff will attempt to reach all participants and staff by phone or text to inform them of the cancellation.
- Missed programs due to weather are made up the week following the end of the program, unless otherwise stated. If this is not possible, you will be issued a refund per program refund guidelines.

Refund Procedure

Refund requests for all programs must be received no less than 2 weeks prior to the start of the program.

- If the withdrawal request is received prior to 2 weeks you will receive a refund minus \$10 drop fee, any pre-purchased supplies and non-refundable deposits.
- A refund will not be given if the request is received less than 2 weeks prior to the start.
- Refunds will not be issued for missed classes.
- Cancellations for weekly programs will be rescheduled or a refund will be issued. Special Olympics weather refunds will be issued for missed games, but not for missed practices.
- A house credit will be issued for refunds of \$10 or less.
- Any variance to the refund procedures will be included in the program description.
- All refunds will be issued in the same form as payment was made, if amount is under \$45.
- If there is an outstanding balance, your refund will be applied to the household balance due.

PROGRAM POLICIES

When arriving at/departing from a program, parents are asked to check in with the staff person in charge of the program before leaving your child. WDSRA staff is not responsible for the supervision of participants who arrive prior to the start of the program. Also, if a participant is to be picked up by an unfamiliar guardian, neighbor, babysitter, etc. the parents are asked to notify the WDSRA staff person in charge of the program prior to the occurrence.

To provide for safe and meaningful learning experiences, a 1:3 staff-to-participant ratio is maintained for children's activities, a 1:4 ratio for teen activities, and a 1:6 ratio is maintained for adult activities. Some programs may have a higher ratio, depending on individual needs. When children of various ability/age levels are enrolled in the same program, WDSRA will group them according to their abilities.

Meeting on Location

For safety reasons, WDSRA will only allow participants to meet on location for community events (rather than taking the WDSRA transportation) when there is one main entrance/exit. Participants will not be allowed to meet at locations with multiple doors such as, but not limited to a mall, festival, carnival, etc.

Program Transportation

For safety purposes participants must go home the same way they arrived. Vehicles may be pre-assigned and WDSRA cannot guarantee they will be on the same bus as friends/significant others. WDSRA requires a minimum of 3 participants at a pick-up location. Transportation will be cancelled if the minimum is not met. You will be notified if this occurs for any program.

Late Pick-Up Policy

In order to be fair to our participants and program leaders, WDSRA has enacted a late pick-up policy and we would appreciate your cooperation in this matter. Many of our programs have more than one pick-up location and if one person is late, it may disrupt the schedule of others who are being picked up at another location. In addition, many of the WDSRA program leaders have responsibilities after everyone is picked up. We request that you double-check the pick-up time and be prompt. You will be notified of late pick-ups and a late pick-up charge may be applied to your account.

Dietary Restrictions

Due to the amount and various types of dietary needs, WDSRA will only provide an alternative option for meals when the program is preparing/making their own food. If the program is attending a special event or eating at a restaurant in the community, the family must look ahead at the menu and relay the participant's order to the head instructor upon arrival. You may be asked to send or make appropriate accommodations for your participant on occasion.

Behavior Code

Participants, staff, volunteers, and parents are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make WDSRA's programs safe and enjoyable for everyone. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by the staff. Staff, participants, volunteers, and parents shall:

- show respect to all participants, staff, volunteers, and parents
- refrain from using foul language
- refrain from causing bodily harm to other participants, staff, coaches, or parents
- demonstrate respect for equipment, supplies, and facilities
- represent WDSRA in a manner that is consistent with the goals, objectives, and ethics of the association

Discipline

A caring and positive discipline approach will be used. WDSRA reserves the right to dismiss a participant, staff, volunteer, or parent if it is in the best interest of the association. Each situation will be evaluated on its own merit.

Atlanto-Axial Subluxations (ASC)

Individuals who have Down Syndrome have a high risk of having ASC. For the safety of WDSRA participants with Down Syndrome, a doctor's note proving they have been cleared of this condition by an x-ray is required to participate in any program that could potentially injure the neck area.

EQUAL ACCESS, PHOTOGRAPHY

No participant shall be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or opportunity on the basis of race, sex, creed, national origin, or disability.

Americans with Disabilities Act (ADA) Grievance Procedure

The Western DuPage Special Recreation Association has established an internal grievance system for prompt and equitable resolution of grievances alleging any action by the Western DuPage Special Recreation Association that would be prohibited by the ADA or the applicable Title II Rules. Grievances should be directed to:

**Superintendent of Inclusion & Risk Management,
Compliance Officer, WDSRA**

Mail: 116 N Schmale Road, Carol Stream, IL, 60188

Phone: 630-681-0962

Please call WDSRA to schedule a meeting.

WDSRA continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participants' safety. However, participants and parents/guardians of minors for this program/activity must recognize that there is an inherent risk of injury when choosing to participate in recreational activities.

You are solely responsible for determining if you or your minor child/ward are physically fit and /or skilled for activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, disabled in any way, or recently suffered an illness, injury, or impairment, to consult a physician before undertaking any physical activity.

Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury when participating in any recreational activity/program. Understandably, not all hazards and dangers can be foreseen. Participants must understand that certain risks, dangers, and injuries due to acts of God, inclement weather, slipping, falling, equipment failure, failure in supervision, premise defect, and all other circumstances inherent to recreational activities/programs exist. In this regard, it must be recognized that it is impossible for WDSRA to guarantee absolute safety.

Say Cheese

WDSRA staff occasionally takes photos or videos of participants for promoting/advertising our programs, services, events, activities, and facilities in our brochures, website or social media, and other promotional avenues.

By registering for, participating in, or attending WDSRA programs, events, or other activities, the participant (or parent/guardian of a minor participant) irrevocably agrees to the use and distribution by WDSRA of his or her image (or of his minor child/ward) in photos, video recordings, and any other electronic reproductions of such programs, events, and activities for any purpose without inspection or approval and without compensation, rights to royalties or any other consideration now and in the future.
