## IT ALL STARTS WITH A GIFT... HELPING SUSTAIN IN-PERSON PROGRAMS, VIRTUAL PROGRAMS AND INCLUSION SERVICES.

### Making Special Recreation Available to ALL Families!

Keeping programs affordable and accessible is our commitment. Because of the labor intensive nature of our programs, the constant fluctuation of part-time staff needs, and rising costs overall, we continually need to bridge the gap between the cost of programming and the support received through tax revenues. That gap is filled through the generosity of grantors and donors.

# HELLO ...

## WDSRA FRIENDS & FAMILIES

Each one of these books, and seasons, is an opportunity for me to reflect on what WDSRA means in our communities. In my role as director, sometimes it's easy to get caught up in the day-to-day administration of the agency. But when I get out and see our programs in action, meet our families, and meet community partners that connect with WDSRA...that's when I connect most closely with our mission.

As you may have heard, our full-time staff is a bit displaced at the moment. Our building restoration from the Oct. 2023 flood continues. Thankfully, staff have stepped up to the challenge and continue to run programs without interruption. Thanks to help from our member districts, we have teams of people at several buildings. These types of challenges always present silver linings – I see our teams connecting in new ways with our communities...I'm getting out to more programs...and we're seeing the willingness of people to help WDSRA in any way possible.

We look forward to 2024 with enthusiasm and a passion for delivering much-needed services to individuals with disabilities. I want to continue to challenge our team to chase down goals, continue their professional development, and innovate within the field of therapeutic recreation. Please enjoy looking through this program guide and I hope to see many of you at our programs and events next year!

*Sincerely*

Dan Leahy - MPA, CPRP

## WDSRA Golf Program

WDSRA will be offering two golf programs this upcoming summer. We will be offering competitive golf (traditional 3,6,9-hole or unified 9-hole golf). Competitive golf is designed for athletes who are ready to play the course and understand rules and etiquette. Coaches will evaluate golfers to determine if they are best suited for competitive golf or recreation golf. Athletes competing in competitive golf must turn in three 9-hole scorecards to coaches prior to the second week of practice to ensure competing in competition. The coaches will need to turn these scorecards into Special Olympics.

For those who just want to play for fun and learn the game, we will be offering recreation golf. This program will be designed to learn golf rules and etiquette as well as learn proper swing technique. We will use the skills learned in this program and put them into practice on the course later in the season. In this program, there will be more instruction than competitive golf. This program is intended for individuals looking to learn the game and have a good time.

For Naperville, Wheaton, or Winfield locations, contact Meghan Toliver and Carol Stream or Glen Ellyn locations, contact Katie Lyter. If you are unsure of which site is best for your participant, email [recandroll@wdsra.com](mailto:recandroll@wdsra.com).

**Rec & Roll 2024 registration information will be available in January. Scan the QR code for our interest form.**

## Discipline

A caring and positive discipline approach will be used. WDSRA reserves the right to dismiss a participant, staff, volunteer, or parent if it is in the best interest of the association. Each situation will be evaluated on its own merit.

## Special Olympics

For an athlete to compete in a Special Olympics program, a current Special Olympics Medical form must be on file at the WDSRA office. The Special Olympics Medical form is valid for three years from the date of the doctor's signature.

WDSRA Policy states an athlete cannot register for a Special Olympic program until you have a current form on file. If you are interested in participating in a Special Olympics program, please contact the WDSRA office for a form or download a form from our website at [www.wdsra.com](http://www.wdsra.com). **Parents and athletes are responsible for returning the completed form to the WDSRA office before you register.**

## Atlanto-Axial Subluxations (ASC)

Individuals who have Down Syndrome have a high risk of having ASC. For the safety of WDSRA participants with Down Syndrome, a doctor's note proving they have been cleared of this condition by an x-ray is required to participate in any program that could potentially injure the neck area.

## Meeting on Location

For safety reasons, WDSRA will only allow participants to meet on location for community events (rather than taking the WDSRA transportation) when there is one main entrance/exit. Participants will not be allowed to meet at locations with multiple doors such as, but not limited to a mall, festival, carnival, etc.

## Program Transportation

For safety purposes participants must go home the same way they arrived. Vehicles may be pre-assigned and WDSRA cannot guarantee they will be on the same bus as friends/significant others.

## Late Pick-Up Policy

In order to be fair to our participants and program leaders, WDSRA has enacted a late pick-up policy, and we would appreciate your cooperation in this matter. Many of our programs have more than one pick-up location and if one person is late, it may disrupt the schedule of others who are being picked up at another location. In addition, many of the WDSRA program leaders have responsibilities after everyone is picked up. We request that you double-check the pick-up time and be prompt.

## Outreach and New Families

Our outreach staff can make your transition to our programs as effortlessly as possible. Staff focuses on welcoming new families, answering questions, navigating forms and processes, and recommending appropriate programming for your loved one. We get to know your participant and family before starting programs so WDSRA can serve you better. We will also provide contact information for resources your participant may need. If you are a new family or participant, start by contacting WDSRA at 630-681-0962.

## New Participant Intake

WDSRA requires all new participants to complete an intake with the Outreach Supervisor prior to attending their first program. The intake allows the agency to get to know the participant and their individual needs better. This additional information provides WDSRA staff the opportunity to properly staff programs and provides an environment that will be successful and enjoyable to the participant. If you are new to the programs and have not done an intake, please contact the Outreach Supervisor at 630-681-0962. For safety reasons, an individual without current annual information and intake forms on file will not be permitted to participate in WDSRA programs.

## Equal Access

No participant shall be denied equal access to programs, activities, services, or benefits or be limited in the exercise of any right, privilege, advantage, or opportunity on the basis of race, sex, creed, national origin, or disability.

# WDSRA INFORMATION

## Inclusion Services

WDSRA and its member park districts believe all individuals should be provided with leisure opportunities that allow for performance at their highest level of ability. We understand not every person who has a special need desires WDSRA programming. In cooperation with our member districts, WDSRA staff will assist and advise any resident who is interested in participating (inclusion) in a local park district program. WDSRA will provide the type of support deemed necessary for successful participation. Supports may include training with park district staff members, consultation with the individual and their family members, and the assistance of a support staff member. WDSRA provides all inclusion services at no cost to the individual.

## Certification and Credentials

Certified Therapeutic Recreation Specialist (CTRS) and Certified Park and Recreation Professional (CPRP) are designations granted to professionals who can demonstrate through education and work experience that they meet the criteria set by the National Recreation and Park Association (NRPA) Certification Board and the National Council for Therapeutic Recreation Certification. These professionals have a Bachelor's or higher degree from an NRPA-accredited program, have passed a certification exam, and earn and maintain sanctioned Continuing Educational Units (CEU).

## Dietary Restrictions

Due to the amount and various types of dietary needs, WDSRA will only provide an alternative option for meals when the program is preparing/making their own food. If the program is attending a special event or eating at a restaurant in the community, the family must look ahead at the menu and relay the participant's order to the head instructor upon arrival. You may be asked to send or make appropriate accommodations for your participant on occasion.

## Americans with Disabilities Act (ADA) Grievance Procedure

The Western DuPage Special Recreation Association has established an internal grievance system for prompt and equitable resolution of grievances alleging any action by the Western DuPage Special Recreation Association that would be prohibited by the ADA or the applicable Title II Rules. Grievances should be directed to:

**Superintendent of Inclusion & Risk Management,  
Compliance Officer, WDSRA**

Mail: 116 N Schmale Road, Carol Stream, IL, 60188

Phone: 630-681-0962

Please call WDSRA to schedule a meeting.

## Behavior Code

Participants, staff, volunteers, and parents are expected to exhibit appropriate behavior at all times. The following guidelines have been developed to make WDSRA's programs safe and enjoyable for everyone. Additional rules may be developed for particular programs and athletic leagues as deemed necessary by the staff. Staff, participants, volunteers, and parents shall:

- show respect to all participants, staff, volunteers, and parents
- refrain from using foul language
- refrain from causing bodily harm to other participants, staff, coaches, or parents
- demonstrate respect for equipment, supplies, and facilities
- represent WDSRA in a manner that is consistent with the goals, objectives, and ethics of the association

## Say Cheese

WDSRA staff occasionally takes photographs or videos of participants for promoting/advertising our programs, services, events, activities, and facilities in our brochures, website or social media, and other promotional avenues. By registering for, participating in, or attending WDSRA programs, events, or other activities, the participant (or parent/guardian of a minor participant) irrevocably agrees to the use and distribution by WDSRA of his or her image (or of his minor child/ward) in photographs, video recordings, and any other electronic reproductions of such programs, events, and activities for any purpose without inspection or approval and without compensation, rights to royalties or any other consideration now and in the future.

- If you live in a community without a Park District or in an unincorporated area that falls outside of the Park District boundaries, a 50% fee will be assessed per program. An example of this would be Wayne residents and some parts of West Chicago.

## Canceling Programs

- WDSRA staff will look at all circumstances beginning two hours before the starting time of the program or first pick-up to determine if the program should be canceled.
- If the program is canceled, program staff will attempt to reach all participants and staff by phone using the calling post messaging system to inform them of the cancellation.
- Missed programs due to weather are made up the week following the end of the program. If this is not possible, you will be issued a refund per program refund guidelines.

## Weather Cancellation Policy

# REGISTRATION INFORMATION

## Program Policies

When arriving at/departing from a program, parents are asked to check in with the staff person in charge of the program before leaving your child. WDSRA staff is not responsible for the supervision of participants who arrive prior to the start of the program. Also, if a participant is to be picked up by an unfamiliar guardian, neighbor, babysitter, etc. the parents are asked to notify the WDSRA staff person in charge of the program prior to the occurrence.

To provide for safe and meaningful learning experiences, a 1:3 staff-to-participant ratio is maintained for children's activities, a 1:4 ratio for teen activities, and a 1:6 ratio is maintained for adult activities. Some programs may have a higher ratio, depending on individual needs. When children of various ability/age levels are enrolled in the same program, WDSRA will group them according to their abilities.

If a program closes due to large enrollment, a paid waiting list of those interested will be kept. If space does not open in the program, your payment will be automatically refunded.

A class may be canceled if enrollment is less than five participants for children's programs and five participants for adult programs unless otherwise noted.

WDSRA requires a minimum of 3 participants at a pick-up location. Transportation will be canceled if the minimum is not met. You will be notified if this occurs for any program.

Neatly complete the registration form, filling in all appropriate spaces. Missing information will delay your registration. Phone-in registrations are not accepted.

**Note:** Registrations will not be processed if a fee balance remains from a previous season. Program fees will not be prorated for late registration. The scholarship request deadline is the same date set for resident registration.

If you have any questions on the registration day, call the office and we will direct you to the right individual to help you.

Online registration is the preferred method. It offers you the most up-to-date information on your programs and the ability to pay online at the time of registration.

### Ways to Register:

- Online Registration (Preferred Option)
- Drop-off or Mail-before the start of registration, all mailed and dropped-off registration forms will be processed concurrently with online registrations and processed in random order.

## Virtual Program Registration

Registration will be first-come, first-served for both residents and non-residents.

## Individual Lesson Registration

Registration will be first come, first served for residents and non-residents.

## In-Person Program Lottery Registration

All In-Person program registrations will be assigned once WDSRA "spins" the lottery, randomly assigning enrollments to the programs you have registered for. The lottery will be spun for Residents first, followed by Non-Residents. If the program has met the maximum number of participants, those not enrolled will be added to a waitlist. If you are placed on a waitlist and WDSRA can accommodate you safely, you will be enrolled in the program and notified. Program confirmations will be sent out by the end of December.

## Annual Scholarships

The scholarship request process is intended to allow participants/families who qualify for financial assistance to take part in recreation and leisure opportunities through the use of available funds. All funds for scholarships are obtained through the WDSRA Foundation's annual fundraising campaigns. Each year the amount available fluctuates based on the amounts received.

Scholarships are only available for residents of the association's nine-member park districts. Scholarships are awarded to participants who have completed the annual scholarship application and qualify for financial needs. Applications are accepted anytime during the year but all applications expire on December 31. Fifty percent of the program fee for three (3) programs per season may be awarded. Payment plans may be arranged if needed. For more specific guidelines regarding scholarships, please visit our website at [www.wdsra.com](http://www.wdsra.com) and go to the links tab for WDSRA forms or contact the WDSRA office.
