

What is the Disability Awareness Program?

WDSRA's Disability Awareness Program is a hands-on training experience that helps community members explore their feelings and values to become comfortable with the special needs of others.

The program will help dispel myths and provide facts about various disabilities.

WDSRA promotes sensitivity, acceptance and understanding of different perspectives as these issues relate to individuals who have special needs.

What is WDSRA?

The Western DuPage Special Recreation Association is a cooperative extension of our member park districts providing recreational opportunities for individuals who have special needs. The agency serves more than 8,000 individuals in more than 1,000 programs, special events and trips each year.

WDSRA is a two-time winner of the National Gold Medal Award for Excellence in Community Programming and a recipient of the Illinois Distinguished Agency Award
