FY23-24 GRATITUDE REPORT

May 1, 2023 - April 30, 2024

Enriching Lives • Connecting Communities • Creating Fun!

Message from the Director

Hello Friend and Families,

We're excited to share the 2023-24 Gratitude Report! Each year, the report provides a snapshot of our organization showcasing where we've been, how we're meeting service needs, and highlighting our achievements.

While the overall picture comes together smoothly, the journey can sometimes take an unexpected turn. This year has been one of the most unique in our nearly 50-year-history. The October 2023 flood at our building challenged our staff and partners in ways that we hadn't faced before. To navigate these challenges, our team showed remarkable grit. Thankfully, adaptability is our strength (hey, it's what we do!). We are proud to say that we kept vital services flowing into the community.

While we're not completely on the other side of that event (yet), I can say without a doubt that going through adversity only leads to a greater sense of gratitude. The outpouring of support from our network of supporters has been amazing – from donated building space, traveling board meetings, and other logistical pieces to new grants, donations and other financial contributions that minimized the impact of building repairs. We're also blessed with a Foundation board that continues to support our mission in dynamic ways.

Overall, WDSRA continues to grow and thrive. The demand for our services, especially in inclusion, has never been higher. Our challenge continues to find creative means to meet those needs while also looking at new ways to position WDSRA as a pillar of overall community health.

With gratitude,

Dan Leahy
Executive Director

The momentum of FY23-24 was driven by the collective energy and dedication of our stakeholders, all committed to enriching the lives of participants and their families. This shared purpose sparked the creation of opportunities that ensured everyone felt valued and supported. It also fostered collaboration with both new and longstanding partners, harnessing our community's passion for greater impact.

We introduced innovative programs tailored to the diverse needs of our communities, directly shaped by the voices of those we serve. Through collaboration, we brought fresh ideas to life, always aiming to make a meaningful difference. Our focus on fostering genuine connections and creating memorable experiences has been guided by the enthusiasm of participants and families.

Partnerships with like-minded organizations have been crucial in amplifying our efforts, expanding our reach, and bringing new perspectives and resources to our work. Together, we've ensured our programs are dynamic, inclusive, and reflective of the communities we serve.

Our focus has been reinvigorated by a drive to create positive, lasting impacts and a commitment to always striving to make a difference in the lives we touch.

KEEPING SERVICES FLOWING

On Wednesday, October 4, 2023, we experienced a catastrophic water main break at the WDSRA office, resulting in approximately four inches of water flooding the entire building. The flood affected all common areas, offices, closets, and the Rec & Roll room, forcing an immediate evacuation. Items not destroyed by the water were moved to temporary storage. With the support of our Park District partners, the Carol Stream Rec & Roll group and staff were quickly relocated, and a plan was implemented for a combination of remote and in-person solutions.

Throughout the entire situation, our priority remained ensuring that every program continued as scheduled, with no interruption in services.

See a video of the flooded office at https://youtu.be/shA9lwOxXgl?si=P-WbXHM_heble5Q0.

Thriving with WDSRA

ERIN'S STORY

Erin Feeney, at 32, exemplifies resilience and achievement despite living with cerebral palsy. Her vibrant personality shines through her intelligence, humor, and positive attitude. Erin is not only a college student but also an accomplished author and a credited Disney writer.

Erin's journey with WDSRA began eight years ago, following the passing of her mother. In search of a supportive environment and a sense of purpose, she found exactly what she needed in WDSRA. Joining a WDSRA social club became a transformative experience for her.

Today, WDSRA is an integral part of Erin's life. She regularly participates in special events, dances, social clubs, trips, and more. Erin thrives in the midst of all this activity, finding joy and connection.

WDSRA offers Erin the stimulation and social connections she values. The dedicated staff understand her physical needs, communicate easily with her, and appreciate her sense of humor, ensuring she feels supported and celebrated every step of the way.

Challenge to Triumph

LUKE'S STORY

Luke is a boy with a BIG personality—sociable, affectionate, and funny. From a young age, he always strived to keep up with his twin sister and older brother. Luke's mom, Jana, believed it was crucial for him to be around his typically developing peers both in and out of school. While school provided the necessary support, Luke needed additional help to keep up and stay focused outside of it.

Living with Down Syndrome and anxiety, Luke can be a complex individual. He requires time to warm up to people and process his surroundings, a need that can be challenging for his peers to understand. Though he loves being part of a team, the journey was challenging.

That's when the family turned to WDSRA Inclusion.

WDSRA's inclusion support staff helped Luke manage his anxiety during programs, make transitions smoother, engage with his peers, and grow more independent.

By the time Luke reached 3rd grade, sports had become too competitive for him to keep up. This led him to transition from inclusion services to WDSRA programs. Now 15 years old, Luke enjoys participating in soccer, t-ball, basketball, flag football, and more.

Thank You to Our Fundraising Partners

Your contributions help sustain in-person programs, virtual programs and inclusion services.

Because of the labor intensive nature of our programs, the constant fluctuation of part-time staff needs, and the rising costs overall, we continually need to bridge the gap between the cost of programming and the support received through member district contributions. That gap is filled through the generosity of grantors and donors.

The WDSRA Foundation assists with scholarships, vehicle purchases, program supplies, inclusion services, special projects, and more. Funds are generated through donations, sponsorships, events, appeals, and more. All proceeds benefit WDSRA participants and families.

Possibilities Society Members

Possibilities Society members make a significant, multiyear commitment over the course of 5 years in support of WDSRA participants & families. *Denotes Possibilities Society members.

WDSRA Scholarship Endowment

The WDSRA Scholarship Endowment has a fund balance goal of \$750,000. Once in place, this fund and the earnings it produces, will fulfill our typical annual scholarship need and more in perpetuity. This is a sustainable way to meet the needs of current and future participants & families. + Denotes donors who gave to the endowment.
