

Enriching Lives. Connecting Communities. Creating Fun!

Supporting the participants and families of the Western DuPage Special Recreation Association

From the Executive Director

Welcome and **Thank YOU** for joining us!

As many of you may know, my journey to WDSRA began years ago thanks to my 25-year-old son, Tyler. Through him, I saw the amazing impact of WDSRA's people and programs. As he grew, I realized that WDSRA's powerful

programs go beyond the individual – it changes families, connects communities and builds an inclusive world for all.

Tonight, we're privileged to hear from several families sharing their journeys. You'll hear how lives have been enriched and how communities have been created. I want to extend a heartfelt thanks to those families, whether they are in-person tonight or through video.

You may even see some of the fun that we infuse into every program. Our "secret sauce" revolves around bringing the fun into everything we do. Whether it's honing life skills, building new ones or simply making new friends, WDSRA builds it all around exciting, engaging programs. We definitely bring the FUN!

I hope you will see just how meaningful your support is to actively shaping the present and future lives of our participants & their families. Your presence tonight is truly appreciated. Please recognize that your donations are making a difference.

Thank you for being here and contributing to this transformative journey!

With gratitude,

Dan Leahy

Executive Director

Mission: The development of individuals through recreation.

Vision: Opening a world of untapped potential and a lifetime of possibilities!

From the Board Chairman

On behalf of the WDSRA Foundation Board of Trustees, welcome to *The Bash!*

Tonight is where making a difference seamlessly blends with an unforgettable evening, all in support of a great cause! Every ticket bought, each bid placed, every paddle raised - they all

translate to a life-changing impact for our participants & their families.

Be sure to make the most of the fun we have planned just for YOU! Make your first stop at the Wine & Spirit Pull – get yours before we run out. Next, grab those raffle tickets; they could unlock a Yeti party or transport you to the enchantment of a Bali vacation. Don't forget your 'bling ring'. You'll need it to play Heads or Tails where you could win a \$1,500 gift certificate to Stones Jewelry.

Now, the silent and LIVE auctions are where the thrill intensifies. Your bids echo beyond the room; they resonate in lives changed. As you make that final bid, let generosity guide you. Raise the Paddle tonight to support our Mission & Vision, ensuring special recreation remains a beacon for those who need it most.

In all, please consider bidding a bit higher, give where your heart nudges you.

And as the fundraising winds down, stay for the live entertainment featuring a DJ and dancing. This is our thanks to you.

Lastly, tonight, you're not just an attendee; you're a catalyst for positive change. THANK YOU for supporting our participants & families!

Warm regards,

Jeff Hayden

Chairman, WDSRA Foundation Board of Trustees

Your support will help Enrich Lives by

- sustaining engaging programs tailored for a wide range of interests

uncovering and nurturing untapped potential within each participant

Your support will help in Connecting Communities by

- facilitating connections for both individuals and their families to the vibrant communities in which we all live and flourish

By raising your paddle, you will **Create Fun** because we infuse an element of fun in everything we do!

Tonight, YOU have the power to transform lives... simply by raising your paddle! Please raise your paddle at the highest level of giving with which you are comfortable.

Raise the Paddle for the Mission & Vision!

Thank you to the Gabrione and Feeney families for sharing their stories tonight!

Jana & Luke

Luke can be a complex guy.
Though very social, he needs time to warm up to people and understand the situation around him. That processing time can be difficult for peers to understand. Transitions can be especially tough. Luke likes to be a part of the team, but all the above can make it challenging. Inclusion services made a big difference for Luke early on. Now shifting to WDSRA programs, they will make a big difference in his future.

Kevin & Erin

After Erin's mom passed, she was looking for a way to cope with her grief. She hoped that making friends and staying active would help alleviate some of the sadness and loss she was feeling. She found that and more with WDSRA. Now she is meeting new people and finding new adventures. You will hear directly from Erin just how much WDSRA means to her.

You can make a difference in the lives of these families and others with your support tonight!
