The WDSRA/Charlie Long Golf Classic is ON!

Monday, September 28th

10:30am Registration, Driving Range, Putting Green

11am Box lunch

12pm Shotgun start

Everyone is encouraged to register early and to purchase all your extras online at the same time. This will ensure a quicker, smoother and socially distant registration for everyone.

COVID-19 precautions:

We want to keep you, as well as everyone on the course, safe while enjoying the day so the following changes have been made:

- Arrowhead Golf Course continues to observe all COVID-19 protocols including cart sanitation, wearing masks in and around the club house, and no ball washers or benches on the course.
- We are asking everyone to purchase extras (Mulligans, strings and Split the Pot tickets) ahead of time to reduce congestion and ensure social distancing at registration.
- Due to COVID-19 protocols, our usual keg of beer on the 17th hole will not be available. Instead, you will receive two drink tickets to use at the beverage cart.
- Due to COVID-19 protocols, we are unable to offer water on the course. We encourage you to bring an ample supply for the day.
- Due to COVID-19 protocols, we are unable to offer a group dinner this year. Instead, you will receive a \$20 voucher for Arrowhead Restaurant & Bar to use at your leisure.
- Should you not wish to share a cart, you will have the option of walking. Please let us know ahead of time [if you choose to walk](#).

What else is new this year?

- A streamlined check-in procedure—faster, easier and safer for you.
- No limit on the number of string you can purchase.
- Instead of the raffle items we will be selling tickets to Split the Pot.
- In lieu of dinner, you will receive a \$20 voucher to Arrowhead Restaurant & Bar.
- Guests are required to wear masks whenever indoors and whenever not able to socially distance at least 6'.

What remains the same?

- Your participation is supporting WDSRA participants and families.
- Still a great day of golf on a beautiful course.
- Multiple chances to win prizes with a Hole-In-One.
