WDSRA & LWSRA Partnership Earns State Recognition

We're proud to share that WDSRA and LWSRA (Lincolnway Special Recreation Association) have been recognized with the 2026 IAPD Best of the Best Intergovernmental Cooperation Award for our wheelchair basketball partnership!

By bringing our resources together, WDSRA and LWSRA are able to create more opportunities for athletes in adaptive sports through access to equipment, coaches, facility space, competition and, just as importantly, the friendships that grow through the sport.

This partnership also creates a pathway for athletes to develop their skills and continue competing at higher levels, from their first experiences with wheelchair basketball to collegiate, and beyond.

We're grateful to our friends at LWSRA and to the athletes, families, coaches and supporters who make this partnership so special.
